# TOKYO

Tokyo's true beauty lies in its simplicity.

This elementary slab design is given fresh new life with added curves and daring horizontal grain. The strong, bold finish of Black Brown Ferrara is brought to life by the addition of a selection of gloss doors, providing a unique balance to this beautiful kitchen design.

Light and dark grain patterns merge to create an aesthetically exciting element, while its versatile quality is displayed beautifully by the inclusion of high gloss white doors.

# SANTIAGO

Making the ultimate contemporary style statement with handleless doors and drawer fronts, Santiago is a high quality product with an exceptionally flawless, mirror-like finish.

Using internal and external curves with clean lines to create a high end, modern, stylish kitchen. Curved doors and unique accessories such as quadrant end mouldings blend seamlessly into Santiago's modern landscape, creating a kitchen range that not only looks sleek and sophisticated but also maintains a practical role with doors that are easy to keep clean.

# LISBON

An integrated J-Pull handle and horizontal grain make the Lisbon the ultimate contemporary style statement.

With a 22mm thickness compared to a standard 18mm door they look and feel high quality.

Each component is manufactured using registered embossing technology resulting in a highly tactile veneer like finish at a fraction of the cost of real wood.

**Colours available: Coral White, Palm Wood, Pearl, Sand and Washed Stone.**
